

MAXIMUM IMPACT STEWARDSHIP

PEACE AUDITORIUM | AUGUST 11, 2024 | 3:00 – 5:00 PM

As we seek to be good stewards of all God has given us, how can we maximize the impact of our charitable giving?

Faithful stewardship today includes thoughtful planning for the future. That's why we're excited to host an upcoming seminar that explores creative ways to give. The seminar is presented in partnership with HighGround Advisors, a nonprofit dedicated to advancing the gospel missions of churches through investment management and gift planning services.

Join us as HighGround assists individuals in navigating the best strategies for transferring their assets, aligning with their charitable objectives. While 75% of charitable gifts are made with cash, U.S. households hold 93% of their wealth in noncash assets. Now is the ideal moment to consider all your assets to determine how they can amplify your charitable impact now and in the future. Donating noncash assets—such as real estate, minerals, retirement funds, publicly and privately held stocks, tangible property, life insurance, and virtual currency—not only enhances your giving potential but also maximizes tax benefits.

Additionally, HighGround will help attendees understand the fundamentals of estate planning, covering important topics such as wills and trusts, asset transfers and estate taxes. By exploring various charitable options and understanding the tax implications of each, attendees will be better equipped to establish a giving plan that honors loved ones and ensures their generosity continues to impact the Kingdom beyond their lifetime.

featuring HighGround's:

JOE HANCOCK

Vice President & General Counsel

Joe has more than 25 years of experience as a legal expert and esteemed speaker in areas of nonprofit, trust, estate and charitable tax law. At HighGround, he serves individual clients by guiding them through charitable gift giving and tax and estate planning. He also monitors state and federal legislation that may impact nonprofit organizations and educates clients regarding applicable regulations. Joe holds a BBA from Baylor University as well as MBA and JD degrees from the University of Arkansas.

**REGISTRATION BEGINS
JULY 14**

Childcare is available if requested when registering prior to July 29.
